

FOR PIMPLES, TOO

New Discovery Cures Eczema and Eruptions Minor Skin Troubles Overnight.

A few months ago the dispensers of posam, the new discovery for the cure of eczema, decided to allow the druggists of the country to handle it. Previous to that time it could only be obtained direct from the laboratories.

Since this change in the method of distribution, posam has met with the most phenomenal success of anything introduced to the drug trade in the last 30 years. All leading druggists, including Lee & Osgood and Smith's Drug Store in Norwich, are now carrying the special 50-cent size recently introduced, also the \$2 jar.

This great success is not surprising when it is remembered that, in eczema cases, posam stops the itching with first application, proceeds to heal immediately, and cures chronic cases in a few weeks. In minor skin troubles, such as pimples, blackheads, acne, herpes, blotches, rash, etc., results show after an over-night application. Experimental samples of posam are sent to anyone by mail free of charge, by the Emergency Laboratories, 32 West Twenty-fifth Street, New York City.

Posam is also on sale in Putnam at Laroc's; in Danialson at Putnam's; and in Willimantic at Chesbro's.

Secured Money By False Pretenses

John F. Moulton Secured \$200 from George W. Carroll Last Friday—Arrested in New Haven After Having Cases Nollod There—Spent Night at Police Station.

As the result of a complaint made to the city attorney here on Thursday, John F. Moulton, formerly of this city, but who now gives his residence as Stonington, was arrested in New Haven by Detective Captain Dunn, after he had secured his case in that city, a note having been entered by the assistant city attorney, and he paid the costs. Moulton was taken to headquarters and held for the local police, Chief Murphy sending Sergeant D. J. Twomey there after Moulton, and they arrived here on the return about 5 o'clock, and Moulton spent the night at the police station. Those who saw him state that he appeared downcast and dejected, noting as if his troubles weighed heavily upon him.

The complaint charges him with securing money under false pretenses from George W. Carroll on February 12 to the amount of \$200, it being claimed that he secured the money with intent to defraud.

It was found upon investigation that the representations of Moulton by Mr. Carroll were not true.

Since his romantic marriage the young man has had more than the

usual amount of trouble, there having been several lawsuits over his boat, domestic troubles, and within the past month he has been arrested twice, the local arrest following closely after his New Haven escapade. It is stated he was attending the New Haven Law school when he was arrested in New Haven.

New Haven Case Nollod.

John F. Moulton, who was arrested by Detective Ward about two weeks ago and charged with uttering and passing fraudulent checks on Broker E. B. Eames of New Haven, for the sum of \$50 and \$20, respectively, and also one for \$20 on St. Richmond, one of the proprietors of the Palm barber shop in that city, was allowed to go free in the New Haven city court on Thursday on payment of costs amounting to \$20.50.

The state had already put in most of its evidence at the trial of the case last week, and was awaiting the defense, when the assistant city attorney decided to nolle the case on payment of costs. It is understood that the state made good all the costs advanced to him on the checks passed in New Haven.

NORWICH INDIAN ASSOCIATION.

Reports and Papers on the Work Being Done.

An interesting meeting of the Norwich Indian association was held on Thursday afternoon with Miss Alice W. Cogswell of Lincoln avenue. The meeting was conducted by the president, Mrs. F. B. Dowe, and the usual reports presented. A letter from one of the teachers in Hampton Institute gave a fascinating description of the worthy Indian girl whom the association is keeping there.

Mrs. Kinney wrote of the proposed medical mission among the Omahas, and Miss Trumbull gave an excellent account of the annual state meeting, which met in Hartford last December. An address by Mrs. Newton was especially interesting. She has traveled extensively among all the Indian tribes studying their needs. What they most need at present is help in their social and religious life. They are taking up the white man's ways and need especially the sanitary and medical instruction to aid them in healthful living.

An article by Dr. Susan La Flesch Plott, describing her work among the Omahas, was read by Mrs. Henderson. Miss Huntington told many stories of current happenings among the Indians and told of the meeting of the National association in New York. An appeal for books and magazines for use in Oregon was also read. Miss Cogswell gave an interesting review of the 25th Mohonk conference, and of the many addresses upon Indian affairs, giving a wide and many sided view of the whole subject.

The meeting closed with an article giving an amusing account of a teacher's experience among the Indians of Iowa, after which tea was served by the hostess.

ANNUAL INSPECTION OF CANTON ONECO.

Annual State Field Day Will Be Held Here in September.

Canton Oneco, No. 2, I. O. O. F., was assembled Thursday night in Odd Fellows' hall for its annual inspection by the state officers, and also worked two chapters to the approval of the visiting officers who were present. These were Colonel Rempp, Lieut. Colonel Chaffield and Major Meade, all of New Haven. They found the local canton under command of Capt. Otto F. Ernst, in fine shape. An oyster chowder was served at the close of the work.

An invitation from Canton Oneco to hold the annual state field day in this city has been accepted by the state council, and one of the two days in September when the 25th anniversary is held will be the date selected for the canton's state field day. It will bring probably about 150 men to this city for a parade and other exercises. Besides the canton in Norwich there are two in New Haven, one in Bridgeport, and one in Waterbury, with others forming in other cities. Captain Ernst and Lieut. Frank L. Tuttle, who preside the state council meeting in Waterbury last Tuesday, when the Norwich invitation was accepted. It was also decided to have their annual outing at Lake Compounce on September 20, when a sheepskin will be the feature.

Whist Postponed.

The fourth meeting of the whist tournament between the Central Athletic club and St. Mary's T. A. & B. society was postponed Thursday evening because of the business meeting of the Athletic club. At this time new members were taken in.

A long discussion over baseball affairs was held, and it was decided desirable to try to secure admission to the Rhode Island-Connecticut league, which holds its annual meeting next Thursday evening in Westerly. Manager Michael Carroll and one other member will attend the baseball meeting as representatives of the club, to see what may be done towards having a team in the league.

STOMACH AGONY

Abolish the Cause, and Misery and Distress of Indigestion Will Vanish.

Can indigestion be cured? Hundreds of thousands of people who suffer from belching of gas; biliousness, sour stomach, fullness, nausea, shortness of breath, bad taste in mouth, flat breath, nervousness and other distressing symptoms, are asking themselves that question daily.

And if these same doubting dyspeptics could only read the thousands of kind letters from people who once suffered as badly as they do now, but who have been quickly and permanently cured by the use of Mi-o-na, the mighty dyspepsia remedy that cures by removing the cause, they would go to The Lee & Osgood Co. this very day and get a large box of Mi-o-na tablets, and start themselves on the right road to health at once.

The price of Mi-o-na tablets is only 50 cents, and The Lee & Osgood Co. guarantees them to cure indigestion, or money back.

Thin or lean or scrawny people will find in Mi-o-na a maker of flesh and blood, because it causes the stomach to extract more nutritious matter from the food, which quickly enriches the blood.

OBITUARY.

Michael Finnegan.

The death of Michael Finnegan occurred at his home, 20 1-2 Lafayette street, Thursday evening at 7 o'clock after six days illness with pneumonia. He was 40 years of age.

Mr. Finnegan had been a resident of the Falls for about fifteen years and for many years has worked for the Hopkins & Allen Arms company, where he was a gunmaker. His faithfulness, industry and integrity made him popular both with his employers and fellow workmen. Before coming to Norwich he resided in Providence. He was an esteemed member of the Second division, A. O. U. W.

He is survived by a mother, Mrs. Clarence Finnegan, three brothers, John, James and Patrick, and one sister, Mary, all of Lafayette street. His father has been dead eleven years.

Ira D. Main.

Funeral services over the remains of Ira D. Main were held Thursday morning at 11:40 a. m. at the residence of Horace T. Knight in North Stonington, where Mr. Main has spent the last ten years of his life. Friends were present in large numbers, testifying to the respect they felt for the deceased. Among the floral forms were a pillow from the brothers and sisters of the deceased, a bouquet of carnations and lilies from Mr. and Mrs. L. Main, a bouquet of carnations from Mr. and Mrs. Paul May of Ledyard, and a bouquet of roses from a sister, Mrs. Francis Richmond. Rev. N. B. Prindle, pastor of the Baptist church in Preston City, presided.

Mr. Main, who took part in the 14th verse of the 13th chapter of Hebrews. He spoke impressively and touched the key note of the character of the deceased when he spoke of the indebtedness to those in need and in distress, who often in life he had aided his fellow men when in trouble, without expectation of financial return. The anthem, "Father, Whate'er of Earthly Bliss, and Jean, Cal' I's, were feelingly sung by Judge and Mrs. Russell Gilling of Ledyard, assisted by the Rev. Mr. Prindle. The bearers were Joseph Holbridge and Alonzo, James and W. L. Main.

Interment was in the family lot in the Puckham church cemetery in Ledyard, where a committal service was read by the Rev. Mr. Prindle.

The late Ira D. Main was born in North Stonington, August 25, 1868, and was a son of William Feeds Main and Sarah A. Frink, and was one of eleven children. He was one of eastern Connecticut's best known hunters, and his delight was to be out in the open fields with Nature and Nature's God. This communion, which was his delight, brought him into a truer, higher touch with the essence of true Christianity—and brought forth in his life and exemplified that cardinal doctrine of his Master, Be ye kind one to another. It was this that taught him to be what he was, a man willing and anxious to help anyone who was in actual need. A rough exterior sometimes covers a sweet, Christian heart anxious to aid its fellow men, and this unknown to the community at large was amplified in the life of the deceased. His life was a shining example of what a true man may do under the cover of the Master's statement, Let not thy right hand know what thy left hand doeth. As the preacher said in Ecclesiastes, Or ever the silver cord be loosed, or the golden bowl be broken, or the pitcher be broken at the fountain, or the wheel broken at the cistern. Then shall the dust return to earth as it was and the spirit shall return unto God who gave it. Henry Allen & Son had charge of the arrangements.

Polish Fair Continues.

The Polish societies of St. Joseph's parish continued their bazaar Thursday evening in the Froehlichkeit hall on Talman street with a crowd present that filled the hall. The entertainment consisted of a well rendered musical programme, given by the junior choir and the school children. Their numbers were all heartily applauded.

The sales at the different tables were briskly conducted after the programme was over, and the evening closed with dancing, for which the music was by Pulaski's band. The societies expect to realize a good sum by the two nights already held and the closing children's matinee and the evening yet to come.

WEDDING.

Casavant—Exley.

A pretty wedding took place at St. Joseph's church, Occum, when Arthur Casavant and Miss Mary Exley were united in marriage by Rev. Father Peltie. The bride was handsomely attired in a blue tailor made suit and a white picture hat. She is one of the most popular young women in Occum. The groom is a popular young man, being foreman in the store of Hall & Hawkins.

The bride received money as a gift from her parents and the groom received the same. The house was handsomely decorated with ferns and lilies of the valley. There was also a dance given in Parent's hall and a very delightful time enjoyed by all their friends, who wish them long life and prosperity.
